Treasurer's Report: Ken Smith

- Our new treasurer (Ken Smith) has not yet been given signature authority on the checking account(s) due to the bank not having a good process for doing such.
- Due to the issues with Perkasio First Savings Bank we have decided to switch banks to QNB. This process will be with the primary accounts first and then as CD's mature etc. we will decide whether to move that money to QNB in the future. This vote was done via E-mail and all boards members were in favor and no board members were against the change to QNB.

New Business

- A discussion started to consider moving our website from our current host company to Blue Sombrero. Blue Sombrero has been purchased by Dick's Sporting Goods and will redesign our web site for free. The only issue is that Dick's can be the only sporting goods store we can advertise on the website. Tony Romeo cautioned George to read the fine print in the contract to be certain we don't lock the club into a contract that will limit our freedom in the future. This was voted on and all board members were in favor and no board members were against switching to Blue Sombrero.

Respectfully submitted by,
Tony Romeo
